

PETERSGATE

Key statistics for **May 2007**

Number of counselling sessions: **795**

Number of new requests for counselling: **167**

Highlights for the month:

It is wonderful to be able to welcome our new Administrator, Susan Higgins, to the team. Susan brings lots of relevant experience as an administrator and a volunteer and is quickly coming to grips with our processes and getting to know our counsellors and volunteers. Welcome Susan!

The demand for our services is still strong and we are receiving more than 7 new requests for counselling every day. Our 23 counsellors are working very hard to meet the demand and as at the end of May we had been able to keep the waiting list to a manageable level.

We have had an encouraging early response to our annual appeal for financial support to the Friends of Petersgate. A big thank you for your generosity! The support we receive is appreciated and is essential if we are to continue to provide counselling at subsidised fees for those who are less well off.
